

Hi everyone,

Just a quick note to say that, very unfortunately, I will not be able to attend the meeting tomorrow in person or remotely.

I have an important family all day commitment that was planned long in advance that happened to fall on the same day.

I just wanted to wish you all the best for a positive meeting...whereby the members are educated on the strong merits of the long range plan.

I am sure there will be some heated discussions but I have every confidence that once they are shown the merits they will come around....at least that is my sincerest hope.

I really wish I could be there but send you all my best.

You have my vote and support!!

I look forward to hearing all about it.

Sincerely,

Stuart Webster
